

REMARKS

1. Claims 1 and 2 are allowed. No listing of the claims is provided as no amendment to the claims is made herein.

2. Applicant has amended the specification to include the reference number 62. As to reference numbers 20, 21, 11, 12, 20, and 40, Applicant would direct the Examiner's attention to the first paragraph on page 4, which includes those reference numbers.

In light of the above amendments and remarks, Applicant now asserts that all of the grounds for rejection have been traversed or overcome by amendment, and that all of the present claims are in condition for immediate allowance. Applicant therefore requests reconsideration of the objections and rejections, and solicits allowance of the present claims at an early date.

Thank you for your consideration.

Respectfully submitted,
